Protecting Your Personal Information

Ardyss is committed to ensuring the security of your information. To prevent unauthorized access or disclosure, maintain data accuracy, and ensure the appropriate use of information, we have put in place appropriate physical, electronic, and managerial procedures to safeguard and secure the information we collect online. We place a priority on protecting your Personally Identifiable Information and take commercially reasonable measures to secure and protect such information.

Ardyss.com uses secure sockets layer (SSL) to encrypt the transfer of sensitive information, such as your account password and billing information including credit card, from your web browser to our web server.

Only the last four (4) digits of your credit card number will be displayed in your account.

When you place an Order with us, you are given an opportunity to select if you wish to have your credit card numbers stored on our system.

Emails you send to us may not be secure unless otherwise told that security measures will be in place prior to your transmitting the information. For this reason, we ask that you do not send confidential information such as credit card numbers or account numbers to us through emails

The same SSL protocol also acts to authenticate the Ardyss Sites and prevent unauthorized "hackers" from masquerading as any of our sites while you are logged in to your account. This is accomplished through a "digital certificate", which is an unforgettable electronic "identity card".

We follow generally accepted industry standards to protect the personal information submitted to us, both during transmission and once we receive it.

No method of transmission over the Internet, or method of electronic storage, is 100% secure, however. Therefore, while we strive to use commercially acceptable means to protect your personal information, we cannot guarantee its absolute security.

If you have any questions about security on our Web site, you can email us at distributor.support@ardysslife.com

If we decide to change our privacy policy, we will post those changes to this privacy policy, the home page, and other places we deem appropriate so that you are aware of what information we collect, how we use it, and under what circumstances, if any, we disclose it.

We reserve the right to modify this privacy policy at any time, so please review it frequently.

If we make material changes to this policy, we will notify you here, by email, or by means of a notice on our home page prior to the change becoming effective.
